

Enhanced Hydrocarbon Recovery - EOR-Hero™

Nitro-Chem's EOR-Hero™ provides proprietary micro-emulsion/nano surfactants for uses in EOR/IOR well enhancement

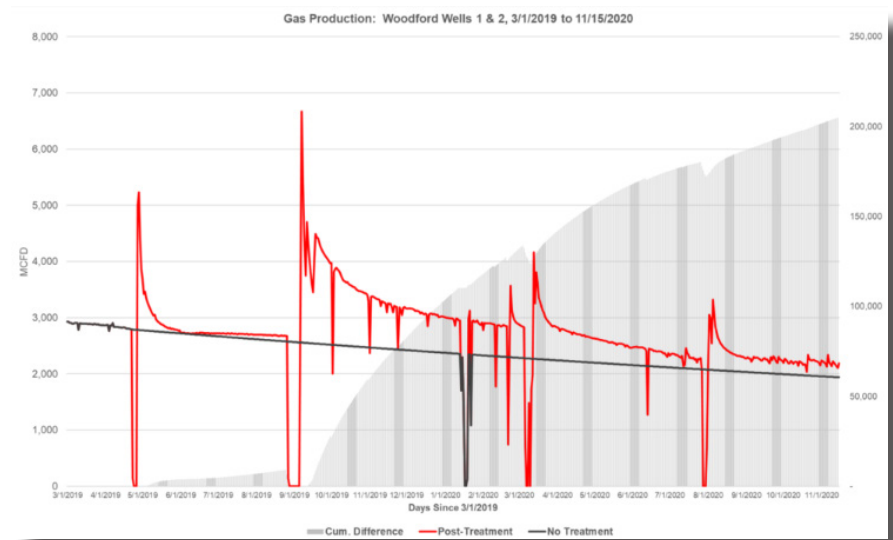

Designed to enhance existing well performance:

When incorporated into frac fluids, EOR-HERO™ facilitates:

- ▶ Enhances hydrocarbon recovery
- ▶ Skin damage remediation
- ▶ Bio-mass remediation
- ▶ Paraffin and asphaltine remediation
- ▶ Water block reduction

EOR/IOR Treatment Results

▶ EOR-Hero™

EOR-Hero™ is a multi-dimensional wellbore treatment fluid designed to be used for enhanced hydrocarbon recovery in damaged or mature wellbores.
